

# Natural Disaster Fund

AAMIG and RLX are assisting the Queensland Country Women's Association (QCWA) in raising funds through the QCWA Public Rural Crisis Fund, to be donated to Australian Producers who have been affected by the floods.

Helping people in need is at the heart of the QCWA. We are proud to be partnering with them to provide much needed support. 100% of the funds raised will be directed to the QCWA.

In response to the flood events currently affecting producers in Australia, AAMIG has developed the Natural Disaster Fund. This Fund will assist in supporting different charity efforts over time. In this instance, funds will be directed to the QCWA.

## What is QCWA's Public Rural Crisis Fund?

This initiative began in 1990 and not only supports families suffering from drought, flood or fire but all families experiencing any type of crisis.

The Public Rural Crisis Fund supports families through monetary allocations, assistance with school fees, food vouchers, support to medical, accountant, veterinary and fuel expenses and many other avenues.

## How do you donate?
